Government organisations. Private ISPs are allowed to set up gateways after obtaining security clearance.

(i) Establishment of transmission links - Private ISPs can obtain transmission links on lease from DOT, licensed Basic Service Operator, Railways, State Electricity Boards, National Power Grid Corporation etc. They may also establish their own transmission links, provided they are not available from authorised sources and subject to permission of authority.

(j) Telephony on the Internet is not permitted.

Enhancement of Telephone Exchange capacity in Punjab

37. SHRI LAJPAT RAI: Will the Minister of COMMUNICATIONS be pleased to state:

(a) the plans for enhancement of telepbone exchanges capacity in the each district of the country in 1998-99 and 1999-2000 particularly in Punjab;

(b) the number of new lines which will be released in the current year in remote areas;

(c) the respective waiting list for the telephones in each of these States; and

(d) whether Government have fixed any targets to complete expansion network this year in the remote areas?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI KABINDRA PURKAYASTHA): (a) Plan for enhancement of telephone exchanges capacity circle wise for 98-99 is furnished in the Statement-I (*See* below). In Punjab Circle including Chandigarh it is proposed to enhance the capacity by 288600. District-wise break-up for Punjab Circle is enclosed in the Statement-II (*See* below). District-wise break-up for other Telecom Circles in the country is being collected and will be furnished later.

During 1999-2000 it is planned to enhance the capacity of telephone exchanges by 54.70 lakh lines in the Country. District-wise plans for 1999-2000 are not finalised.

(b) In the current year it is proposed to release 36 lakh new lines in the country. Circlewise break up is given in the Statement-III (*See* below). These new lines will also cover remote areas depending upon demand.

(c) Statewise waiting list for telephones as on 31.01.1999 is placed at Statement-IV (*See* below).

(d) Government has fixed target to complete expansion network in the country including remote areas, based on demand.

Statement-I
